Mah e Ramadaan jis mein nazil hua Quran jis mein hidaayat hey.

Logon ke wastey aur raah panay ki khuli nishanain hein. (Al Quran)

Ayat muqaddisa hamein is taffakur ki dawat deti hey ke nuzool Quran mein ramadaan ka tazkara kyun kya gaya hey? Jabkey Vahi Ramadaan ke ilawa bhi nazil hoti rahi hey. Yeh talaash karna bhi zaroori hey ke Ramadaan al Mubarak aur aam dinon mein kya farq hey, aur ramadaan mein insani tasawurat aur ehsasat mein kya tabdeeli roonuma ho jaati hey?

Ramadaan al Mubarak se mutaliq is ruku mein Allah Tallah ka irshad hey:

Tarjuma “Aur jab tujh se poucheen bande mere mujh ko toh mein nazdeek hon” Pohanchana hon pukarte ki pukaar ko jis waqt mujh ko pukaarta hey.”

Ayat karimah hamein batati hey ke bande aur Allah ke darmiyan kisi qism ka koi faasla haail nahi hey. Quran ke irshad ke mutabiq kaayenaat mein har shye do rukh par qaim hey.

وَمِنْ كُلِّ شَيْءٍ خَلَقْنَا رَوْجَينِ لَعَلَّكُمْ تَذَكَّرُونْ

“Aur har cheez ke banaye hum ne jore, shayad tum dheyan karo.”

Insani hawaas ke bhi do rukh hein. Aik rukh yeh hey ke insaan hamesha –apne aap ko paband aur muqeed mehsoos karta hey aur dosra rukh woh hey ke jahan insaan qaid o band se azad hey. Qaid o band mein hamaray andar jo hawaas kaam karte hein woh hamesha asfal zindagi ki taraf mutwajjah rehne par majboor karte hein. Un hawaas ki har harkat hamari zindagi ko kari dar kari zanjeer ki terhan pabnd<sup>o</sup> salasil kiye hue hey. Zindagi naam hey taqazoon ka, yeh taqazey hi hamaray andar hawaas banatey hein. Bhook, pyaas, jins, zehni tayush, aik dosray se baat karne ki khwahish, aapas ka mil jol aur hazaron qisam ki dlchaspiyan yeh sab taqazey hein aur un taqazoon ka dar-o-madar hawaas par hey. Hawaas agar taqazey qubool kar lete hein toh yeh taqazey hawaas ke andar jazb hokar hamein mazahirati khadd-o-khaal ka ilm bakhshte hein. Aam dinon mein hamari dlchaspiyan mazahir ke sath ziyada rehti hein. Khana, piinaa, sona, jagna, aaraam karna, hsol<sup>o</sup> muaash mein jad-o-jehad karna aur dunyawi dosray mashaghil sab ke sab mazahir hein.

Aam dinon ke bar aks roza hamein aisay nuqtey par le aata hey jahan se mazahir ki nafi shuru hoti hey. Maslan waqt e muayana tak zahiri hawaas se tawajah hata kar zehen ko is baat par amaada karna ke zahiri hawaas ke ilawa aur bhi hawaas hamarey andar mojood hein jo hamein azad duniya (ghaib ki duniya) se roshanaas karte hein. Roza zindagi mein kaam karne walay

zahiri hawaas par zarb laga kar un ko moattal kardaita hey. Bhook pyaas par control, guftagu mein ehthiyat, neend mein kami aur chobees ghatney kisi nah kisi terhan se yeh koshish ki jati hey ke mazahir ki girift se nikal kar ghaib mein safar kya jaye.

Ramadaan al Mubarak ka poora maheena darasal aik programme hey. Is baat se mutaliq ke insaan apni rooh aur ghaib se muta-arif hojaye.

Allah Taalah ne irshad farmaya ke:

" Hum ne utaara Shab e Qader mein. Aur toh kya boojha kya hey shab qader. Shab e Qader? behtar hey hazaar mahinay se. Utartey hein farishtey aur rooh is mein –apne rab ke hukum se, her kam par. Amaan hey woh raat subah ke niklny tak"

Allah Taalah ke farmaan ke mutabiq Lailatu Qader aik hazaar mahino ke din aur raat ke hawaas se afzalhey. Is ko samajhney ke liye hum is terhan keh sakte hein ke raat ke hawaas ki raftaar is raat mein (jo behtar hey hazaar mahino se ) saath hazaar guna barh jati hey kyunkey aik hazaar mahino mein tees hazaar din aur tees hazaar raatain hoti hein .

Ramzan ki das taarikh tak hamein is bat ki aadat ho jaati hey ke hum un hawaas ki girift ko tor saken jo giyarah mahinay hamaray oopar musallat rahay hein. Ramazan ke pehlay ashrey mein bhook, piyas, neend, guftagu mein ehtiat aur Quran pa kaaf ki talawat se kaafi had tak zahiri hawas hamari girift mein ajate hein. Mehaz Allah ki khush nudi ke liye poray din khana nah khana, shaded taqazey ke bawujud pani nah peenay aur aftari-o-sehari ke darmiyan chand ghatney soney se hamarey andar aik aisi taaqat peda ho jati hey jo hamein raat ke hawaas aur rooh ke qareeb kar detihey. Dus (10) rozay rakhnay ke baad agar hum koshish karen toh bohat aasani ke sath rooh ki Khaftah salahiyaton ko bedar kar saktey hein .
